

Free Emergency Child Care for Covid-19 Essential Workers

We are pleased to announce that child care is now available during this pandemic for all of our staff with young children who are in need. Berkshire County Arc has made connections with all the providers listed below to help facilitate child care for our staff. This child care is **free of charge** for workers considered essential, such as BC Arc workers. The majority of hours of operation are anywhere from 7AM until 5:30PM, and some providers will accept children up to age 14. Please call the contact numbers for further information on how to enroll your child. If you need assistance in securing a spot for your child with the organization you choose, please call Maryann Hyatt, at 413-499, ext. 227.
